

BALANCE SHEET - T FORMAT

Indian Style | Amounts in Rupees (₹)

Name of Business / Entity: _____

Balance Sheet as at: _____

LIABILITIES	Note No.	Current Year (₹)	Previous Year (₹)	ASSETS	Note No.	Current Year (₹)	Previous Year (₹)
Capital / Proprietor's Capital				Property, Plant & Equipment / Fixed Assets			
Reserves & Surplus				Intangible Assets			
Long-term Borrowings				Long-term Investments			
Secured Loans				Other Non-current Assets			
Unsecured Loans				Inventory / Stock-in-trade			
Short-term Borrowings				Trade Receivables / Sundry Debtors			
Trade Payables / Sundry Creditors				Cash in Hand			
Outstanding Expenses				Bank Balance			
Taxes & Statutory Dues Payable				Short-term Investments			
Current Portion of Long-term Debt				Loans & Advances			
Other Current Liabilities				Prepaid Expenses			
Other Liabilities				Other Current Assets			
TOTAL LIABILITIES				TOTAL ASSETS			

Check: Total Assets should be equal to Total Liabilities. Use the Note No. columns for supporting schedules or notes to accounts, where applicable.

This is a general-purpose Indian T-format template. Line items may be added, removed or renamed to suit the constitution of the business and applicable accounting / statutory requirements.
